

Making Referrals to Audiology & Children's Allied Health

Referrals to Audiology & Children's Allied Health no longer need to be sent through the Board Office. Please make the referral directly to the program once ***you have explained your concerns and obtained parental consent to refer***. The following referral options are available:

1. With the parent/guardian present:
 - Call 403-388-6575 and ask to speak with an Intake Clerk
 - Explain the nature of the child's delay
 - Have the parent/guardian confirm demographics and schedule an appointment
2. Identify your concerns by completing the checklist on the brochure and give it to the parent/guardian to call Audiology & Children's Allied Health Services to schedule an appointment.
3. Fill out the attached form and forward to Audiology & Children's Allied Health using one of the options below. One of our Intake Clerks will attempt to contact the parent/guardian to schedule an appointment;
 - Email: CHI.CCS.INTAKEAdministrativeSupport@albertahealthservices.ca
 - Fax to Children's Allied Health (403-328-5139)
 - Put in clinician's school mailbox.
 - Mail to: Audiology & Children's Allied Health Services
Suite 120B – Lethbridge Centre
c/o Chinook Regional Hospital
960 – 19th Street South
Lethbridge, AB T1J 1W5

Note: The type of assessment completed is based on concerns indicated on the referral form/brochure so please be as specific as possible. Use the blank section to give examples which illustrate your referral concerns.

Note: Please do not "batch" referrals – send them in as soon as you have parental consent.
