Breakfast Program

Please know that Westminster makes breakfast available to all students everyday. We will be running a Cereal Drive later in September. Please know that donations of healthy non-sugared cereals (Cheerios, Shreddies, Rice Krispies, Corn Flakes) will be accepted at the school. More info to follow!

Westminster has moved to a new daily schedule with 2 nutrition breaks. This gives students more opportunity to eat during the day and this gives them more sustained energy and focus for school work! Please think about nutritious foods to pack in lunches.
